

ESAM02

July 7th—July 10th, 2002

Hosted by the School of Economics and Finance, QUT

VENUE

Queensland University of Technology (QUT) is one of Australia's largest universities, enrolling 30,000 students, ten per cent from overseas. QUT is the largest provider of bachelor degree graduates into full-time employment in Australia each year and its graduate employment rate is well above the national average for Australian universities.

QUT has three campuses in Brisbane — Gardens Point in the central city, Kelvin Grove just two kilometres away and Carseldine in the leafy northern suburbs. All campuses are easily accessed by public transport.

The venue location, QUT's Gardens Point campus, is located on the Brisbane River in the Brisbane city centre, next to the Botanic Gardens and Parliament House. It is within easy walking distance to shops, restaurants, theatres, galleries, and public transport including buses, trains and ferries, with easy access to a variety of natural attractions and scenery including beautiful Moreton Bay, rainforests and rolling rural landscapes.

Further information about QUT is available at the following site: www.qut.edu.au.
