

Guidelines for Econometric Society Schools

1. To use the name of the Econometric Society, a school needs the approval of the Executive Committee. When granted, this approval will be for a period of not more than three years. It may be renewed following submission of a report on past summer schools and a fresh application.
2. The Executive Committee will appoint a committee to review all applications, consult with the Regional Standing Committee in the region where the school is to be held, and decide whether to recommend approval to the Executive Committee.
3. These schools or conferences should be accessible to members from all of our regions and should make an effort to encourage participation from all regions. For that reason, all instruction and presentations should be in English.
4. The proposal should specify the expected level of the student participants, and the mechanism for recruiting and selecting them.
5. The organizers of these events will be expected to coordinate with the relevant Regional Standing Committee to avoid schedule conflicts, and to send brief annual reports both to that Regional Standing Committee and to the Executive Committee.
6. The Executive Committee will not provide funding; but the regions may choose to use some of their resources to e.g. subsidize travel costs for students and younger faculty.
